St. Teresa of Calcutta
Pray for Us!

From the Desk of Cheryl Calire

Important Message:

To all who support the St. Gianna Centers, The Mother Teresa Home, Sidewalk Advocates, Project Rachel, Social Issues, and End of Life Issues through our work at the Office of Pro-Life

First and foremost, I pray this finds you and your loved ones safe and well amidst some of the most challenging times we have ever faced.

With that in mind, I would ask you to consider the following scenarios:

- You have literally, no support system
- The family that you do have are marginalized themselves
- The agencies and those you reach out to are shut down or are not available in any way
- You are in desperate need of supplies for your baby and children, but have nowhere to turn

You are the face of Jesus to many of these people! You have done so through your continued support and our phones have been busier than ever with requests for help. You are their **“lifeline”!**

With that said, we have set up a PayPal donation tab for you to prayerfully consider donating yourself or spreading the word. In times like this, when **YOU** yourself may be struggling, it is difficult for us to ask even more of you. Please know that we will then take these funds directly to on-line ordering and delivery or pick up where possible. We cannot thank you enough for all you have already done, and we hold you in our regular prayers as well.
