

UPDATED ACTION ALERT

- Check out the **latest action alert**, and please write to Congress opposing the HHS mandate and calling for conscience protections. Ask your Representative & Senators to support the Health Care Conscience Rights Act (H.R. 940, S. 1204) and to ensure respect for the religious liberty and conscience rights of all participants in our nation's health care system. You are encouraged to personalize the action center's message body.
- In addition to sending an email, please call your Members of Congress! The U.S. Capitol switchboard number is 202-224-3121, or call your Representative's and Senators' local offices. Additional contact info can be found on Representatives' websites at **www.house.gov**. . . and Senators' websites at **www.senate.gov**. . . .
- Lastly, to stay up-to-date on current religious freedom issues, sign up for text messages from the USCCB. It's easy. Just text the word "FREEDOM" to 377377.
- A postcard campaign (launched in 2009) generated tens of millions of postcards to Congress and yielded great results! Prompted by the Church's pro-life and religious freedom concerns, the USCCB is hosting another campaign, the "**Project Life and Liberty**" **postcard campaign**. We need your support for

the success of this campaign!
